

CAMPUS SAFETY AND SECURITY

Another Level Barbering and Cosmetology School may utilize Deputies from the City of Petersburg Sheriff's office to provide security. In the event of an emergency if no Deputy is on campus, students and staff need to contact 911 for immediate assistance.

The School strives to maintain a safe, crime-free environment. The School is required to have available a copy of crime statistics for distribution to every student. At each New Student Orientation the School distributes a copy on August 15th. Additional copies are available and can be obtained from the Student Services office and on the School's website at www.albcschool.edu under Consumer Information.

The Campus Sex Crimes Prevention Act (CSCPA) is a federal law that was enacted on October 28, 2000. This law facilitates the tracking of convicted, registered sex offenders who are: 1) students of, 2) employees of, or 3) volunteers at an institute of higher education. The CSCPA amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act (WETTERLING) to require sex offenders who are already required to register in a state to provide notice, as required under state law, of each institution of higher education in that state at which the person is employed or carries on a vocation or is a student effective as of October 28, 2002. The CSCPA also amends the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (CLERY) to require institutions of higher education to issue a statement, in addition to other disclosures required under CLERY, advising the campus community where law enforcement agency information regarding convicted sex offenders is provided by their state. Finally, the CSCPA amends the Family Educational Rights and Privacy Act (FERPA) to state that nothing in FERPA can prohibit an institute of higher education from disclosing information provided to that institution concerning registered sex offenders. The United States Department of Justice provides a publicly accessible database of sex offenders that are required to register. <https://www.nsopw.gov/en?AspxAutoDetectCookieSupport=1> . Clery Act-

The federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires colleges and universities, both public and private, participating in federal student aid programs to disclose campus safety information, and imposes certain basic requirements for handling incidents of sexual violence and emergency situations. Disclosures about crime statistics and summaries of security policies are made once a year in an Annual Security Report (ASR), and information about specific crimes and emergencies is made publicly available on an ongoing basis throughout the year.

The Clery Act is named in memory of Jeanne Clery who was raped and murdered in her residence hall room by a fellow student she did not know on April 5, 1986. Her parents championed laws requiring the disclosure of campus crime information, and the federal law that now bears their daughter's name was first enacted in 1990. More information on the Clery Act can be found at www.cleryact.info.
