Procedure

Students alleging that their institutional records are inaccurate or misleading, or who allege violations of FERPA, may present their challenges to the schools' President.

Students have the right to correct record-keeping errors, but not to seek to overturn administration decisions and assessments. The School President shall review students' challenges and, when appropriate, amend students' records accordingly. Students will be notified of the President's actions and, based on the action, may request a formal hearing.

Student must submit request for amendment in writing to the President's identifying the specific portion of his or her record he or she wants changed and why he or she believes it's inaccurate or in violation of his or her privacy.

A hearing panel appointed by the President shall represent Another Level Barbering and Cosmetology School. The panel shall consider all relevant evidence supporting students' allegations of inaccurate or misleading information in students' records. Decisions of the panel will be final.

Another Level Barbering and Cosmetology School will provide a written decision of the hearing based on evidence presented at the hearing and will include a summary of evidence presented and the rationale for the decision.

If Another Level Barbering and Cosmetology School decides that the challenged information is not misleading, inaccurate or in violation of the student's privacy rights, it will notify the student of his or her right to place in the record a statement commenting on the challenged information or a statement of reasons for disagreeing with the decision.

The statement will be maintained as a part of the student's record as long as the contested portion is maintained. If Another Level Barbering and Cosmetology School discloses the contested portion of the record, it must also disclose the statement.

If Another Level Barbering and Cosmetology School decides the information is inaccurate or in violation of the student's right of privacy, it will amend the record and notify the student, in writing, that the record has been amended.

Federal Grant Programs

Federal Pell Grant

A Federal Pell Grant is awarded based on each student's financial need. Need is primarily based on Adjusted Gross Income (AGI) and family size. Other factors such as assets and the number of family members in college are also considered. The exact eligibility amount is calculated when Another Level Barbering and Cosmetology School receives and processes an Institutional Student Information Record (ISIR) from the U.S. Department of Education. Pell Grants are awarded only to students who have not earned a bachelor's or professional degree. The maximum Pell Grant for the **2021-2022** award year is \$6495; for **2022-2023** \$6645 (estimated).

Federal Supplemental Educational Opportunity Grant

Each year Another Level Barbering and Cosmetology School is allocated supplemental grant money to assist students who demonstrate appropriate financial need. FSEOG is awarded to those students with the lowest expected family contribution who also receive Pell Grants. Students must have unmet need to receive the FSEOG award.

Federal Work Study Program

Students who need employment to help pay for educational costs may be eligible for employment by organizations under the federally supported Federal Work Study ("FWS") Program. In order to qualify, students must demonstrate financial need. The Federal Government provides a portion of the students' earnings, and the employer contributes the balance. The eligibility is determined in part by completing a Free Application for Federal Student Aid (FAFSA).

Federal Programs	Type of Aid	Program Overview
------------------	-------------	------------------

Federal Pell Grant	Grant: does not have to be repaid	For undergraduates with financial need who have not earned Bachelor's or professional degrees; in some cases, however, a student enrolled in a post baccalaureate teacher certification program might receive a Federal Pell Grant. A student can receive a Federal Pell Grant for no more than 12 semesters or the equivalent (roughly six years)
Federal Supplemental Educational Opportunity Grant (FSEOG)	Grant: does not have to be repaid	For undergraduates with exceptional financial need; Federal Pell Grant recipients take priority; funds depend on availability at school.
Federal Work Study	Money earned while attending school; does not have to be repaid	For undergraduate and graduate students; jobs can be on campus or off campus; students are paid at least federal minimum wage; funds depend on availability at school

Federal Loan Programs		
Direct Subsidized Loan	Loan: must be repaid with interest	For undergraduate students; U.S. Department of Education pays interest while borrower is in school and during grace and deferment periods; student must be at least half-time and have financial need; First-time borrowers may not receive this type of loan for more than 133% of the length of their program of study; and U.S. Department of Education may stop paying their interest if they exceed that limit.
Direct Unsubsidized Loan	Loan: must be repaid with interest	For undergraduate and graduate students; borrower is responsible for all interest; student must be at least half-time
Direct PLUS Loan	Loan: must be repaid with interest	For parents of dependent undergraduate students and for graduate or professional students; borrower is responsible for all interest; student must be enrolled at least half-time; financial need is not required;

Federal Stafford Direct Loan Program

Loans made through this program are referred to as Direct Loans (DL). Eligible students and parents borrow directly from the U.S. Department of Education. Direct Loans include subsidized and unsubsidized loans, PLUS Loans, and Consolidation Loans. These loans are paid directly to the U.S. Department of Education.

A subsidized loan is awarded based on financial need. A borrower will not be charged any interest before repayment begins or during deferment periods. The federal government subsidizes the interest during these periods.

An unsubsidized loan is not awarded based on need. A borrower will be charged interest from the time the loan is disbursed until it is paid in full. If interest is allowed to accrue while the student is in school or during other periods of non-payment, it will be added to the principal amount and additional interest will be based on that higher amount. Borrowers can choose to pay the interest as it accrues.

The amounts borrowed depend on student grade level and dependency status at ALBC School. The table is as follow:

Federal Stafford Direct Subsidized and Unsubsidized Annual Loan Limits

Year	Dependent Students (except parents are unable to obtain PLUS Loans)	Independent Students (and students whose parents are unable to obtain PLUS Loans)
First-Year Undergraduate	\$5,500—No more than \$3,500 of this amount may be in subsidized loans.	\$9,500—No more than \$3,500 of this amount may be in subsidized loans.
Second-Year Undergraduate	\$6,500—No more than \$4,500 of this amount may be in subsidized loans.	\$10,500—No more than \$4,500 of this amount may be in subsidized loans.
Third-Year and Beyond Undergraduate	\$7,500 per year—No more than \$5,500 of this amount may be in subsidized loans.	\$12,500 per year—No more than \$5,500 of this amount may be in subsidized loans.
Graduate or Professional Degree Students	Not Applicable	\$20,500 (unsubsidized only)
Maximum Total Debt from Subsidized and Unsubsidized Loans	\$31,000—No more than \$23,000 of this amount may be in subsidized loans.	\$57,500 for undergraduates—No more than \$23,000 of this amount may be in subsidized loans.

A student whose parent cannot obtain a Parent Loan for Undergraduate Student (PLUS) loan is allowed to borrow additional unsubsidized federal Direct Stafford amounts. Student dependency status will be determined based on answers to questions on the FAFSA.

Terms and Conditions: For more information on loan terms and conditions refer to the Borrower's Rights and Responsibilities section of the Federal Direct Stafford/PLUS Loan MPN.

After a student forwards the completed MPN, an award letter is sent from Another Level Barbering and Cosmetology School and a disclosure statement from the lender informing the student of the types and amount of student loans awarded for the loan period. The guarantee agency will mail the student a disclosure statement and notify the student of anticipated disbursement dates. When the funds are received, Another Level Barbering and Cosmetology School confirms eligibility and current registered courses. Any changes and/or breaks in attendance or failure to start class as scheduled may prevent the student's federal financial aid funds from being disbursed.

Federal Stafford Direct Parent Loan for Undergraduate Student

If a student is a dependent undergraduate student, a parent may apply for a Federal Stafford Direct Parent Loan for Undergraduate Student (PLUS) loan to assist with the student's educational expenses. The application process includes completion and submission of a PLUS loan application by the student's parent.

The application process is completed through the Federal Stafford Direct Loan Program. This loan is based on credit worthiness as determined by the U.S. Department of Education.

The yearly limit is equal to the cost of attendance (COA) minus any other financial aid received. Interest is charged on the loan from the date first disbursement is made until the loan is paid in full. The parent borrower has the option to begin repayment either within 60 days from date loan is fully disbursed or wait six months after the dependent student on whose behalf the parent borrowed ceases to be enrolled at least half-time basis.

Parents have the option of deferring repayment on Parent PLUS loans while the student on whose behalf they borrowed the PLUS loan is in school and for a six-month grace period after the student graduates or drops below full-time enrollment. This change was enacted by the Ensuring Continued Access to Student Loans Act (ECASLA) of 2008 (PL 110-227), and is effective for Parent PLUS loans first disbursed on or after July 1, 2008. Payments can also be deferred if the parents are themselves enrolled in college. They will need to submit an application for an in-school deferment.

Before ECASLA added the deferment option on the Parent PLUS loan, some lenders allowed parents to defer payments on the PLUS loan while the student is in school by granting one of several types of forbearances. In each case the forbearance allows a full or partial suspension of payments for up to a year at a time. The discretionary forbearance can be renewed each year; the economic hardship deferment and excess debt burden forbearances each have a three-year time limit. The deferments and forbearances are still available for all Parent PLUS loans, especially the ones originated before July 1, 2008.

Note: Interest on the Parent PLUS loan is not subsidized, it continues to accrue while deferred or in forbearance and is capitalized when the loan enters repayment.

Terms and Conditions

Students whose parents receive a PLUS loan are subject to the terms and conditions disclosed on the Federal Stafford Direct PLUS Loan Application and MPN.

The following tables provide interest rates for each type of federal student loan.

Interest Rates for Direct Loans First Disbursed				
Loan Type	Borrower Type	Loans first disbursed on or after 7/1/19 and before 7/1/20	Loans first disbursed on or after 7/1/20 and before 7/1/21	Loans first disbursed on or after 7/1/21 and before 7/1/22

Direct Subsidized Loans	Undergraduate	4.53%	2.75%	5.28%
Direct Unsubsidized Loans	Undergraduate	4.53%	4.30%	3.73%

Got other questions about interest? These tips might help:

- Prior federal loans and financial aid history—If you already have federal student loans and would like to check the **Interest rate**, servicer information, and other financial aid history, go to the [National Student Loan Data System](#).
- **Understanding interest rates and fees**—find out how interest is calculated.
- **Information for military members**—If you are a member of the military, you may be eligible for special interest benefits relating to your federal student loans

Other than interest, is there a charge for this loan?

Yes, there is a 1% loan fee on all Direct Subsidized Loans and Direct Unsubsidized Loans. The loan fee will be proportionately deducted from each loan disbursement.

If a student is eligible for funding from one of the above programs, ALBC Financial Services Office calculates an estimated award and notifies the student. Awards will be divided into payment periods based on individual course schedule.

Institutional Grants and Scholarships

1.) ALBC SCHOOL SCHOLARSHIP PROGRAM

Only 3 Students per award year may be eligible for this scholarship. The scholarship amount varies, but may not cover up to and including the amount of the full tuition (*not including the textbook or kit unless approved by School President*). Scholarship requirements include: meeting exceptional progress in attendance and academics for that award year of at least 90% or more (Please refer to page 16 of this Catalog), a 2 page essay describing why the student feels he or she should be eligible for the scholarship, and completion of an interview with the Director.

Private Scholarships

Many foundations, corporations, churches, and service organizations provide funds for student financial aid. Students generally apply directly to the potential donor.

Private Student Loans

Some lenders provide student loan resources outside of the Federal loan programs. Rules and eligibility vary. For additional information, contact the Financial Aid Office.

Federal Financial Aid Application Process

A student can apply for federal financial aid after applying for admission to the local campus. During the application process, the following forms may be completed for federal financial aid grants and loans:

- FAFSA/ISIR
- Entrance Counseling- If needed
- Signed Enrollment Agreement
- Personal Data Sheet
- MPN
- Allocation of Title IV Credit Balance Form
- Verification/Income Information – if needed

The average processing time for financial aid awards is 14 days. Aid is typically applied directly to the student account via electronic funds transfer (EFT).

Students qualifying for financial aid may apply for a new award each academic year. Therefore, the student may have eligibility assessed for grants or loans several times during a program of study. A student should reapply for financial aid prior to the start of each new academic year.

Reapplication Process

Students may reapply for financial aid when attendance includes multiple financial aid awards years. Another Level Barbering and Cosmetology School typically notifies students when new aid year paperwork is necessary.

Verification

A student who applies for federal financial aid may be chosen to participate in the verification process by the U.S. Department of Education Central Processing System, following procedures established by federal regulations. The Central Processing System prints an asterisk next to the expected family contribution (EFC) on the ISIR, Student Aid Report (SAR), or SAR Acknowledgement to indicate students selected for verification. If a student is selected for verification, Another Level Barbering and Cosmetology School will request a copy of tax returns signed by the student and, if applicable, a student's parent or parents or spouse, and a verification worksheet. Additional documents may be requested by Another Level Barbering and Cosmetology School to complete the application process. A student will receive written notification from Another Level Barbering and Cosmetology School of verification requirements and the timelines for completion of the process as applicable.

Failure to comply with request for verification documents may result in disqualification for federal financial aid.

Professional Judgment

With respect to some aspects of eligibility, Another Level Barbering and Cosmetology School may exercise discretion to accommodate unusual circumstances. Professional judgment allows Another Level Barbering and Cosmetology School to treat a student individually when the student has special circumstances not sufficiently addressed by standard procedures. Another Level Barbering and Cosmetology School uses professional judgment on a case-by-case basis.

Special circumstances will include conditions that differentiate an individual student from a whole class of students. Another Level Barbering and Cosmetology School will not accept adjustments made for a student by another school. Another Level Barbering and Cosmetology School will review the student's circumstances and, if appropriate, document the professional judgment decision. ALBC School's decision regarding professional judgment adjustments is final and cannot be appealed to the U.S. Department of Education.

Satisfactory Academic Progress Policy

All students must maintain Satisfactory Academic Progress (SAP) toward completion of their chosen program. SAP is determined by measuring the student's Cumulative GPA and the student's rate of progress toward completion of the academic program. In no case can a student exceed the maximum time frame as a certificate program seeking student and receive the original academic credential for which the student is enrolled.

At the evaluation point after grades have been posted, each student's rate of progress and CGPA will be reviewed to determine if the student is meeting the SAP requirements as outlined in this section.

A student who is not making SAP will be placed on Financial Aid Warning. At the end of the next evaluation period, the student will be removed from Financial Aid Warning if they meet or exceed the minimum requirements or if they continue to fall below the minimum requirements are subject to dismissal unless they successfully appeal to maintain enrollment. Students who continue to fall below the minimum requirements are required to submit an appeal in order to maintain enrollment and eligibility for federal financial aid. Unless a student successfully appeals, they will be dismissed if their CGPA or rate of progress falls below the rates specified in the tables below. A student may appeal in writing, as outlined below, within five (5) business days of receiving written notification that the student is not making SAP. Students who have their appeal approved will be on Financial Aid Probation and will need an academic plan. Students will then have SAP evaluated at the end of the next payment period and will be removed from Financial Aid Probation if they meet or exceed the minimum standards or will be dismissed if they continue to fall below the published rates unless they have met the terms of their academic plan.

Satisfactory Academic Progress Table

Cosmetology Program – 1500 Hour Program		
Cumulative For Academics	Minimum Requirement Actual Clocked Hours	Minimum Requirement For Attendance
0 - 450	75%	75%
451-900	75%	75%
901 – 1200	75%	75%
1201-1500	75%	75%

Barbering Program – 1100 Hour Program		
Cumulative Actual Clocked Hours	Minimum Requirement For Academics	Minimum Requirement For Attendance
0-450	75%	75%
451-900	75%	75%
901-1100	75%	75%

Student Appeal

Students who failed to meet the SAP requirement may submit an appeal in writing if there are extenuating circumstances. Appeals are only considered if the reasons preventing successful academic process are serious and compelling. Third party documentation is required. For example:

- Medical issues□
- Family difficulties, to include divorce, illness, and death□
- Other special circumstances□

A student who successfully appeals will be evaluated at the end of their next evaluation period. A student who then meets SAP will be removed from Academic Probation. If a student does not meet the minimum requirements, the student will be dismissed from the college unless they have met the terms of their academic plan.

To file an appeal a student must submit an appeal letter along with supporting documentation to the School President or Director. The documentation from the student must explain the nature and timing of the circumstances, a description of how the circumstances prevented the student from meeting the standards, and how the circumstances have been resolved to allow the student to meet the requirements of SAP again. The School President or Director will conduct a preliminary review of the appeal with Financial Aid Coordinator. The SAP Appeal Committee will review the student's appeal within 48 hours of receipt of the appeal. All decisions of the SAP Appeal Committee are final. To obtain SAP appeal approval, the student must be able to make SAP standards by the end of the next evaluation.

Students who are waiting for a decision regarding their appeal may attend class. Students whose appeal is not approved will not incur charges for the quarter attended while waiting on a decision regarding their appeal.

Maximum Time Requirements

Full-time students or students enrolled in a program must progress at least at the rate listed on Attempted credits/clock hours table below for SAP to remain eligible and continue enrollment. The maximum timeframe is a period equal to 1.33% times the number of hours required by the students' programs. Students who exhibit patterns of course withdrawals, course failures, course incompletes, and course repetitions will be unable to complete their objectives within the maximum period allowed. When the maximum time requirement has been exceeded, eligibility for financial aid and continued enrollment will be terminated.

Periods Used For Determination Of Grade Point Average And Completion Rate

Completion rates and GPA are calculated on an individual program basis; that is, only the hours attempted and the grades obtained during the specific program for which students are enrolled are included in the computation of completion rates or GPA. If a student returns to the College to seek an additional credential, the only courses from previous programs that are included in determining completion rates and GPA are those courses that transfer from the previous program/credential into the current program/credential. If a student changes their program, the only courses from previous programs that are included in determining completion rates and GPA are those courses that transfer from the previous program/credential into the current program/credential. All attempts at those courses are included in determining completion rates. This policy does not in any way alter the provisions of the paragraphs on "Academic Withdrawal" and "Reinstatement after Academic Withdrawal."

Completion rate is determined by dividing the cumulative hours successfully completed by the cumulative hours attempted.

Repeat Credit

A student may repeat a course for a better grade. When this option is selected, all attempted hours count in the SAP evaluation. The highest grade will be included in the CGPA calculation.

Transfer Credit/Clock Hours

Transfer credit hours completed at another school and accepted by the school will count in the SAP evaluation as credits attempted and earned. Transfer credit will not affect the CGPA. Advanced placement credit is treated the same as transfer credit.

Transfer clock hours completed at another school and accepted by the College will count in the SAP evaluation as clock hours attempted and earned. Transfer credit will not affect the CGPA.

Withdrawal

Students who withdraw from a program may do so with no penalty, fee, or grade. A student is permitted to withdraw from a course with a grade of "W" provided the student withdraws at or before the midpoint of the term. After the midpoint of the term, any student withdrawing from a course will receive a grade of "F". A grade of "W" is not computed in determining GPA, but is computed in determining hours toward completion. A grade of "F" is computed in determining GPA and in determining hours toward completion. Academic status and eligibility for student financial aid may be affected if the student reduces their course load.

Official Withdrawal

The date the student notifies the school officially becomes the student's date of determination, and appropriate change in status and Return to Title IV calculation will be completed. The student must notify the school's Administrative office. If a student is unable to officially notify the school due to military, medical, or incarceration, the school may take an official written notification from a family member in regard to why the student is unable to notify the school as well as notification of the student's intent to withdraw.

Unofficial Withdrawal

The school may unofficially withdraw a student after fourteen (14) consecutive calendar days of absence from all classes. The date of determination becomes the 15th day from the last date of attendance, and the school will complete a Return to Title IV calculation for the United States Department of Education. The withdrawal date will remain the student's last date of attendance for the calculations, and the date of determination is the 15th day absent. Legal holidays on the academic calendar do not count in the fourteen consecutive calendar days; however, Saturdays, and Sundays do count. Academic intersessions, when courses are not scheduled, do not count in the fourteen (14) calendar days. Additionally, a student who specifically requests to not be unofficially withdrawn due to extenuating circumstances may exceed the fourteen days. Categories of acceptable extenuating circumstances are listed below. Student requests to remain enrolled must be in writing and approved by the campus Director:

- Death of an immediate family member
- Student illness requiring hospitalization
- Severe illness of an immediate family member where the student is a primary caretaker
- Illness of an immediate family member where that family member is the primary financial support
- Abusive relationship
- Divorce proceeding
- Natural disaster
- Financial hardship such as foreclosure or eviction
- Military deployment of the student or the student's spouse
- Military permanent change of station (PCS)

New Program

When a student elects to change a program, or enters a new program following graduation at the school, the student's earned and attempted credits and grades will be transferred into the new program as applicable, including transfer credits. Credit and clock hours attempted and earned at the college in the original program of study that apply to the new program of study will be used when computing GPA, rate of SAP and maximum time

frame. Transfer credit or clock hours completed at another school and accepted by the College will count in the SAP evaluation as credits attempted and earned but will not affect the CGPA.

Financial Aid Warning

A student who is not making SAP will be placed on a Financial Aid Warning. At the end of the evaluation period, the student will be removed from Financial Aid Warning if they meet or exceed the minimum requirements. If they continue to fall below the minimum requirements the student is subject to dismissal unless they successfully appeal to maintain enrollment. Students on Financial Aid Warning status are eligible for financial aid.

Financial Aid Probation

Students who fail to meet SAP and who have successfully appealed that determination may be placed on Financial Aid Probation. Financial Aid eligibility will be reinstated for one (1) payment period and the student may receive Title IV funding while in this status. At the end of the payment period, the student must meet the standards of SAP or meet the requirements of the academic plan developed by the school and the student to qualify for further financial aid.

Academic Withdrawal

Students who do not meet the requirements for SAP and who do not appeal or whose appeal is not approved will be academically dismissed. These students are eligible to reapply to continue their program at the school in a subsequent payment period.

Students who exceed the maximum completion rate according to the SAP Tables are academically dismissed. These students are ineligible to continue their program at the school.

Reinstatement After Academic Withdrawal

Students who are dismissed for SAP may not return to the school until the payment period immediately following their academic dismissal. Students who are permitted to return after dismissal will be on academic probation for the first quarter in which they return and will not be eligible for federal financial aid until they meet the minimum standards set forth in the SAP policy. Students who are dismissed due to academic reasons may have the opportunity to re-enroll only twice, thereafter. In the event of a reinstatement after dismissal, students must remain on academic probation and must agree to meet specific performance criteria to remain in school. The final decision on readmission is made by the School President.

Repeating

Students may repeat courses to improve their grades. Both grades will appear on the student's official transcript, and both attempts will be computed in determining the student's completion rate. The last grade in a repeated course is the grade used in the calculation of students' CGPA. Tuition will be charged for the repeated course at the tuition rate in force at the beginning of any quarter. For students receiving VA educational benefits, special rules govern the repetition of courses. Consult the VA Coordinator for specifics.

Cost of Attendance

See Appendix A and B on pages 35-36 for Barbering program Cost of Attendance for an Independent and Dependent student.

See Appendix C and D on pages 37-38 for Cosmetology program Cost of Attendance for an Independent and Dependent student.

Terms and Conditions

Prior Loan Deferments

If a student is registered and attending classes at ALBC School, a student may have federal financial aid loans from previous colleges or schools deferred. Deferment forms can be obtained from the lender if the loan is from another school. All deferment forms must be returned to the Financial Services Officer for processing and to the holder of the student's loan. The loan holder makes the final determination of granting a student's deferment request.

Students receiving federal financial aid funds may also obtain deferments while serving in the Peace Corps; under the Domestic Volunteer Service Act; and as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field on community service.

Borrowers must formally request a deferment through the procedures established by the holder of their loan or loans. Detailed information regarding deferments may be viewed at studentaid.ed.gov.

Receiving a deferment is not automatic; therefore, a student or a student's parent must apply for it.

Loan Consolidation

A consolidation loan may help make payments more manageable by combining several federal student loans into one loan with one monthly payment.

A student will need to apply for a loan consolidation and choose a standard, extended, graduated, income - contingent for direct loans, or an income-based repayment plan.

More information regarding loan consolidation is located at studentaid.ed.gov/sa/repay-loans/consolidation and

finaid.org/loans/consolidation.phtml.

Loan Forgiveness Information

Under certain circumstances, the federal government will cancel all or part of an educational loan. To qualify, a student must complete at least one of the following:

- Perform volunteer work
- Perform military service
- Teach or practice medicine in certain types of communities
- Meet other criteria specified by the forgiveness program

More information regarding loan forgiveness is located at <https://studentaid.ed.gov/sa/repay-loans/forgiveness-cancellation> and finaid.org/loans/forgiveness.phtml.

Application of Funds

Another Level Barbering and Cosmetology School will only apply federal financial aid funds to allowable charges. Allowable charges are defined as tuition, state sales tax and course materials.

Federal financial aid is retained at the time of disbursement to pay allowable charges owed Another Level Barbering and Cosmetology School because of monies returned to the student or parent, or returned to the federal financial aid program.

Authorization to Hold Funds

Another Level Barbering and Cosmetology School applies federal financial aid funds to a student account for current tuition, course material, and fees for the payment period and prior year charges up to the federal maximum.

If a student authorized ALBC School, through completion of the Allocation of Title IV Credit Balance form during the financial aid application process, Another Level Barbering and Cosmetology School also holds federal financial aid funds for unpaid estimated future charges owed for the payment period.

Another Level Barbering and Cosmetology School will not require or coerce the authorization and will notify the student or parent they may cancel or modify the authorization at any time. If the student or parent chooses to cancel or modify the authorization, the cancellation or modification is not retroactive. Funds retained for incurred charges and prior year charges retained prior to Another Level Barbering and Cosmetology School receiving the authorization to cancel or modify, remains on account. If modifications have been requested, subsequent disbursements will be processed according to remaining authorizations.

Audits, Withdrawals, Non-Required Courses and Repeats

The law prohibits TIV payment for auditing a course or payment for any course for which a grade assigned is not used in computing requirement for graduation.

Frequency of Disbursements

A student can receive the first disbursement of federal financial aid funds at the start of program or academic year. First-time, first-year undergraduate borrowers will not have the first installment disbursed until 30 calendar days after the program of study academic year begins.

Financial Policies and Procedures

Students' Financial Aid Rights and Responsibilities:

- Students have the right to obtain information about financial assistance programs available at the College.
- Students have the right to discuss financial aid decisions with personnel in the Financial Services Department.
- Students have the right to appeal financial aid decisions.
- Students are responsible for following application and/or reapplication procedures.
- Students are responsible for informing the Financial Services Department of any change in their enrollment status.
- Students must complete all application forms accurately and submit them on time to the right place;
- Students must provide correct information;
- Students must provide all additional documentation, verifications, corrections and/or other information requested by either the student financial aid officer or the agency to which you submitted your application;
- Students are responsible for reading and understanding all forms that you are asked to sign and for retaining your copies;
- Students must accept responsibility for all agreements that you sign;
- Students must be aware of and comply with the deadlines for application or re-application for student financial aid;

How to Apply For Financial Aid:

All students who wish to apply for financial aid must complete the Free Application for Federal Student Aid (FAFSA). Students and parents of dependent students who wish to complete this application on their own may do so, but free assistance from a financial aid officer is available for prospects and current students during normal business hours.

The length of the program for which you are enrolled will determine under which award year you will apply. The award year covers the period from July 1 through June 30. If your course extends beyond June 30, your award eligibility will be calculated for the portion of the program to be completed through June 30. In order to receive the remainder of your award, you must file a Free Application for Federal Student Aid for the next award year when the applications become available.

To correctly fill out the application, you will need certain records. The most important record is your base year (usually the prior year) tax return. You will need your tax return, your parents' tax return (if you are dependent), and your spouse's tax return (if you are married). You may also need copies of your W-2's, mortgage information, social security benefit statements and other agency benefit records. To find out specifically which records you need to fill out the application accurately, ask a financial aid representative.

Students are encouraged to apply as soon as possible. You may have to confirm or correct the information reported and return it to be reprocessed. This could cause a delay in the awarding process. You may also have to verify some of the information you reported on the application.

Since your application is processed electronically, the school will receive an Institutional Student Information Report (ISIR) within a short time after the Central Processing Center receives your application. The information given on this report will be used to determine your eligibility for Federal Student Aid (FSA).

In addition to completing a FAFSA, you may be required to fill out additional forms during your initial interview with the financial aid administrator. These forms gather personal information and are to remain in your file at the school. For any questions involving financial aid and how to apply, contact the school director.

General Student Eligibility Requirements:

How Aid is Determined:

To determine the amount of aid you will receive, the amount of money that your family can be expected to contribute towards education needs to be estimated. It is necessary to request confidential financial facts about your family's income and assets, the size of your family, the number of persons attending postsecondary education, and any unusual circumstances or expenses to estimate this amount of family contribution. This "needs analysis" is conducted through the completion of the FAFSA. From this objective analysis, a parental contribution is calculated. Students are also expected to contribute from their savings and earnings. The combination of what parents can contribute and what the student can contribute is called the expected family contribution (EFC). School officials do NOT play a role in making a student eligible for federal funds. Eligibility is determined in accordance with information provided by student and or parents if student is dependent.

The EFC does not represent the amount of money you will need to pay the school. It determines the aid programs and amount of aids for which a student is eligible.

The goal of financial aid programs is to bridge the gap between the amount you and your family are reasonably able to contribute and your educational expenses. It is very important to realize that aid is available to make education accessible, not to make it free of cost to you or your family.

You do not have to be from a low-income family to qualify for financial aid, but you do have to have "financial need." Your "need" is the difference between what it costs to attend a particular school and what you and your family can contribute.

Federal Financial Aid Programs Financial aid programs are available at ALBC to aid qualifying students for their education. Grants, loans, and part-time employment may be available in a variety of combinations to meet the difference between the amount students and their families can reasonably be expected to provide and the cost of attending the College. Most financial aid programs are paid on a payment period basis, as defined by the Department of Education. Assistance in applying for these programs are provided through the Financial Services Office and visiting www.fasfa.gov.

Return of Federal Financial Aid

The requirements for federal financial aid when a student withdraws are separate from the Institutional Refund Policy and State Refund Policy. Therefore, a student may still owe funds to Another Level Barbering and Cosmetology School to cover unpaid institutional charges.

Federal regulations specify how Another Level Barbering and Cosmetology School must determine the amount of federal financial aid earned when a student withdraws from ALBC School. The amount of federal financial aid a student earned in a payment period is determined by the following formula:

Total Number of Calendar Days Completed in Payment Period ÷ Total Number of Calendar Days in Payment Period

= Percent Earned

The amount of assistance a student earned is determined on a rate-of-progression basis. When the student completes more than 60% of the payment period, the student earns all the assistance scheduled for that payment period.*

A federal financial aid credit balance created during the payment period will not be released to the student nor returned to the federal financial aid programs prior to performing the R2T4 calculation. Another Level Barbering and Cosmetology School will hold these funds even if, consistent with the 14-day credit balance payment requirements, it would otherwise be required to release. Another Level Barbering and Cosmetology School will perform the R2T4 calculation, including any existing federal financial aid credit balance for the period in the calculation as disbursed aid.

Although not included in the R2T4 calculation, any federal financial aid credit balance from a prior period that remains on a student's account when the student withdraws will be included as federal financial aid for purposes of determining the amount of any final federal financial aid credit balance when a student withdraws.

Upon completion of any applicable refund policies, any federal financial aid credit balance will be allocated first to repay any grant overpayment owed by the student as result of the current withdrawal. Within 14 days of the date that Another Level Cosmetology and Barbering School performs the R2T4 Calculation, Another Level Barbering and Cosmetology School will pay any remaining federal financial aid credit balance in one or more of the following ways:

- Pay authorized charges at Another Level Barbering and Cosmetology School
- Reduce the student's federal financial aid loan debt with student authorization to the student or parent for a PLUS loan

Another Level Barbering and Cosmetology School will determine the results of the application of its refund policy before allocating a federal financial aid credit balance. However, Another Level Barbering and Cosmetology School is not required to complete its refund process, for example making a refund to a student, before completing the steps for allocating the federal financial aid credit balance.

If Another Level Barbering and Cosmetology School is unable to locate the student or parent when attempting to pay a credit balance, it will return the funds to the federal financial aid programs. The Department of Education does not specify the order of return to the federal financial aid programs for a credit balance, Another Level Barbering and Cosmetology School will decide that is in the best interest of the student.

The total federal financial aid disbursed to the student, or that could have been disbursed to the student or on the student's behalf, minus the amount of federal financial aid earned by the student determines the amount of federal financial aid loan and grant aid that is unearned and must be returned. The calculation of earned federal financial aid includes all student financial aid grants and loan funds that were disbursed or that could have been disbursed to a student.

Return of Unearned Federal Financial Aid

When a return of federal financial aid is due, Another Level Barbering and Cosmetology School and the student may both have a responsibility for returning funds. Another Level Barbering and Cosmetology School will return the lesser of the following amount to the appropriate federal financial aid programs:

- The total amount of unearned aid
- The amount equal to the total charges incurred by the student for the payment period multiplied by the percentage of unearned aid

Charges incurred by the student will include tuition, fees, and initially assessed the student for the entire payment period. Initial charges will only be adjusted by those changes Another Level Cosmetology and Barbering School made prior to the student's withdrawal.

If after the student withdraws, Another Level Barbering and Cosmetology School changes the amount of institutional charges it assessed a student, or decides to eliminate all institutional charges, those changes affect neither the charges nor aid earned in the calculation. Although Another Level Barbering and Cosmetology School charges may not have charged due to the student's withdrawal in the payment period, Another Level Barbering and Cosmetology School will use the actual charges to date, to include full tuition, fees, and books for each course for the payment period, and estimate remaining charges based on the students' campus. Charges should not reflect Withdrawn (W) grade adjustments.

After Another Level Barbering and Cosmetology School has allocated its portion of unearned funds, the student must return assistance owed in the same order specified above for ALBC School. The amount of assistance that the student is responsible for returning is calculated by subtracting the amount returned by Another Level Barbering and Cosmetology School from the total amount of unearned federal financial aid to be returned. The student, or parent in the case of funds due to a parent PLUS Loan, must return or repay, as appropriate, the amount determined to any federal

financial aid program in accordance with the terms of the loan; and any federal grant program as an overpayment of the grant. The amount of a grant overpayment due from a student is limited to the amount by which the original grant overpayment amount exceeds one-half of the total federal grant funds received by the student.

Timelines for Return of Federal Financial Aid

Another Level Barbering and Cosmetology School will return the amount of federal financial aid for which it is responsible as soon as possible but no later than 45 days after the date Another Level Barbering and Cosmetology School determines that the student has withdrawn.

Timeframe for Returning Unclaimed Credit Balance

If Another Level Barbering and Cosmetology School attempts to disburse a credit balance by check and the check is not cashed, Another Level Barbering and Cosmetology School must return the funds. If a check is returned to ALBC School, or an electronic funds transfer is rejected, Another Level Barbering and Cosmetology School may make additional attempts to disburse the funds, if those attempts are made no later than 45 days after the funds were returned or rejected. When a check is returned, or an electronic funds transfer is rejected, and Another Level Barbering and Cosmetology School does not make another attempt to disburse the funds, the funds must be returned before the end of the initial 45-day period. Please contact financial aid services for more information.

More than 25% but less than 50%	50% Retained
More than 50% but less than 75%	75% Retained
More than 75%	100% Retained

Finally, the CSCPA amends the Family Educational Rights and Privacy Act (FERPA) to state that nothing in FERPA can prohibit an institute of higher education from disclosing information provided to that institution concerning registered sex offenders.
